Web Applications

[Memory Match Card Game](#) | JavaScript Logic

- Uniquely designed memory match features game play statistics, game timer and mismatch counter to enhance player engagement
- Develop javaScript logic to drive game play while incorporating intuitive UI to define various game states

[Simple CMS using jQuery/AJAX](#) | Web APIs, AJAX, JSON

- Enable simple CMS functionality using AJAX to manage specific web APIs to get, create and delete user data
- Mobile first approach features a responsive UI with data preloaders and appropriate messaging to guide user interaction

[Tic-Tac-Toe](#) | JavaScript Logic

- Develop a scalable Tic Tac Toe solution capable of generating varying game board sizes

[Responsive JavaScript Calculator](#) | JavaScript Logic

- Solves basic arithmetic and accommodates successive operations, changing operations, decimals and irregular forms of user input
- Responsive UI features a unique design while enhancing user interactions with visual cues and animation

[Simple CMS using Angular JS](#) | Angular

- Student grade table enables users to read, search, add and delete records using an easy to use responsive interface
- Angular solution features modular approach, separating controllers that share a service to manage HTTP requests for data updates

[NLF Scores and Game Schedule](#) | Web APIs, AJAX, JSON

- Mobile web app designed to easily access the NFL game schedule, scores, weather, related tweets and youtube videos
- Use web APIs to pull data for weekly game schedule, NFL matchups, scores, weather, youtube videos and tweets

[Starship Shooter HTML5 Video Game](#) | Web APIs, JavaScript Logic, PHP

- Integrate payment API, Google Analytics, WordPress, Google SignIn and PHP backend to develop ecommerce functionality
- Build out front end application logic and UI, incorporating music, sounds, and animations to aid user interaction

Professional

Experian Consumer Services | Database Analyst Senior

Personal

When I'm not in front of a computer you can find me on my mountain bike or exploring the outdoors with my camera in hand. I also enjoy hiking and backpacking since I spent my youth exploring the outdoors as a Boy Scout, eventually achieving the rank of Eagle Scout.
